

This service:

- offers **subsidies for business** in Brussels. Under certain conditions, it provides investment grants and informal subsidies (allocated outside any legal framework)
- helps Brussels companies to expand into international markets
- organises **Central Jury** examinations for accessing certain professions and provides advice to accredited enterprise counters
- provides support for businesses in the **agri-food** sector
- grants authorizations to **travel agencies**
- registers **tourist accommodation** in the Brussels-Capital Region
- **controls** business subsidies, travel agencies, licenses for firearms and ammunition, access to the profession, itinerant trade as well as tourist accommodation

The controls are carried out by the [Directorate for Economic Inspection](#).

## Key annual figures

- Over 5,600 requests for support examined
- over 33 million euro of subsidies granted
- 242 travel agencies authorized in the Brussels-Capital Region
- 4,000 samples of food products analysed by Brucefo
