

Our principal missions are :

- **To develop the economy**

We encourage sustainable economic development, taking into account the specific nature of the Brussels economy.

- **To support employment**

We support those creating employment in the Brussels-Capital Region.

Support measures and protection

Brussels Economy and Employment offers services to entrepreneurs, self-employed and enterprises : **grants, financing for calls for projects, financing for certified businesses, training support (paid educational leave, training fund for service voucher companies), food analyses, etc.** The administration organises **Central Jury examinations** regarding management knowledge and for accessing certain professions.

Businesses have to apply for certain **authorisations** with Brussels Economy and Employment : **employment authorisations to employ a non-European national or to start a travel agency, certifications for temporary employment agencies and service voucher companies, registration of touristic accomodation, etc.**

We also provide an inspection policy.

Organisation

The administration consists of around 250 staff. It is made up of 3 departments: the Economy department, the Employment department and the Coordination and Finances Directorate for the cross-cutting aspects (HR, legal issues, etc.).
