

What support does the Brussels-Capital Region provide to employers and employees?

Diversity plan and diversity label

Are you looking for a subsidy for specific actions in companies or for a label to reward these efforts and make them visible?

(the below subpages only exist in French and Dutch)

- [Discover the diversity plan and label](#)

Regional Employment Inspectorate

The agency that performs checks to ensure that all workers are treated equally in recruitment procedures.

- [Anti-discrimination desk and discrimination tests](#)

Project call Diversity

Receive (co-)financing for concrete and innovative actions to combat discrimination in employment and to support diversity in private companies and public institutions.

- [Project call for diversity and anti-discrimination](#)

Service vouchers sector

Service voucher companies need to make a commitment to greater diversity through the "diversity charter." Find out all about it, including the other accreditation conditions.
